

## UPNVJ Holds Second Day of PEKERTI Activities

Tuesday, 29 January 2019 20:16 WIB

**UPNVJ Public Relations - Applied Approach / PEKERTI Training** has been carried out in the context of "Increasing the Professional Capacity of UPN Lecturers in Organizing Learning with an Educational Perspective in the Industrial Age 4.0" second day (Bogor, January 29 2019).

The activities on the second day were filled with material from three presenters. The first material was given by Mrs. Ir. Lien Herlina, M.Sc. The material presented is about the Dynamics of Change in Patterns of Global Higher Education - *Tomorrow People : Industry 4.0, 21st Century New Literacies and Skills , e-learning* and also about *Management Overview and Learning Assessment* . Then it was continued with the second speaker by Mr. Syaiful Anwar with

material on *Life Based Learning* in the Context of Increasing Capability and Achievement of *Learning Outcomes* and material on the Concept of Curriculum Development: Curriculum Document Compilation Process, *Learning Outcomes*, Indonesian National Qualifications Framework (KKNI)-SN-DIKTI. After the presentation of material from Mr. Syaiful, it was followed by the provision of material by Ms. Yulin with material presented regarding CP Preparation, Instructional Analysis (AI) and Semester Learning Plans (RPS) in the Context of Achievement (LO).

The UPNVJ Public Relations Team also had the opportunity to interview one of the presenters, namely Mrs. Ir. Lien, in his interview he conveyed a number of things, such as how a lecturer is able to use *the skills* they have in interacting with their own students when teaching, not just using the old methods as usual. "I am here giving a *sharing session* in terms of updating lecturers, regarding teaching activities for generations that are different from previous generations, because the generation we teach is the *Tomorrow People* generation which is filled with children who have very fluent technological abilities. I also gave experience to the lecturers who attended this activity about how we as lecturers are able to teach students who are in different eras from us. So the hope is that we can produce students who are creative according to the era." he said.

The second day of Pekerti activities was closed with a group photo.
