

Raising the theme of Musicalism, UPN "Band" Veteran Holds Local Sound Vol III

Thursday, 02 May 2019 09:36 WIB

HumasUPNVJ - The Student Activity Unit which is part of the UPN "Band" Veteran (UBV) is again holding *Local Sound*. The *Local Sound Volume III* activity has a different concept from the previous year, namely the theme Musicalism "Concern for the Country through Music", and *Band Competition* to become the basic concept. This event was held in the front parking lot of the General Soedirman Building, Jakarta "Veteran" National Development University (29/04/19).

Local Sound Volume III activities, started with remarks from Mr. Heru Suyanto, SH, MH as the coach of UBV. In his remarks, he expressed his gratitude to the committee who had cooperated well and also to all sponsors and parties involved in carrying out this annual activity. He also advised, "Since this event involves participants from outside the UPNVJ campus, I hope that everything can be orderly during the event and still have to be responsible for environmental cleanliness until the end of the event, at 5 pm". he said.

He also hopes that students who are members of UBV can produce creativity and good work and can achieve many proud achievements for the good name of UPNVJ.

This year's *Local Sound Volume III* has several series of events, such as: *Band Performance*, each band that appears is required to perform a folk song that has been arranged with their own creativity as a manifestation of the raised theme, namely Musicalism. *Local Sound Volume III* was also enlivened by the appearance of the *DosKarBand* whose personnel consisted of several UPNVJ lecturers and employees. In addition, the UPNVJ Rectorate field is filled with *bazaars* filled with several food and beverage *stands*. The event was closed with the announcement of the winners from *the band competition*.
