On Saturday, September 28 2019, the Jakarta Veteran Dance Student Activity Unit carried out one of the 2019 STVJ activity programs, namely the Dance Competition with the theme "Millennial Era, Love Culture, Ready to Work" which is located in the UPN "Veteran" Jakarta Rector's Parking Lot Pondok Labu. The implementation of the 2019 STVJ Dance Competition activities starts at 06.30 WIB for re-registration of participants until 16.30 WIB. The Dance Competition activity is a creative event for young people that combines various kinds of dances to become competent, interesting entertainment. Through the Dance Competition, the next generation of the

nation which is the millennial generation can provide works and develop their own talents in art. Besides that, through Dance Competition, you can train your own potential and know the body agility of the Dance participants.

The forms of Dance Competition activities are Traditional Dance Competitions and Modern Dance Competitions at the JABODETABEK level where registration for each competition category is open to the public (there is no limit to the level of education or dance studio to be able to take part in Dance Competition activities) with one of the age requirements for potential participants being five fifteen years.
