

UPNVJ Students Get Business Capital Worth 15 Million from the Indonesian Ministry of Youth and Sport

Wednesday, 23 October 2019 21:58 WIB

HumasUPNVJ - In an effort to improve the quality of youth entrepreneurship development program services, the Ministry of Youth and Sports (KEMENPORA) through the Assistant Deputy for Entrepreneurship at the Deputy for Youth Development organized the NSPK for Youth Entrepreneurship Development. The event was held at Swiss Bell Hotel North Jakarta, Wednesday 23 October 2019.

The activity consisted of various series of events and in it there was an announcement and symbolic handover of participants receiving Kemenpora Capital Access. Previously, on August 26 2019, the Ministry of Youth and Sports, represented by Asrorun Niam Sholeh as the Deputy for Youth Development of the Ministry of Youth and Sports, attended UPN Veteran Jakarta (UPNVJ) to give a public lecture and as the beginning of collaboration that UPNVJ students could participate in the Ministry of Youth and Sport's access to capital program.

After going through several rigorous selections by the Ministry of Youth and Sports with participants from 22 universities throughout Jabodetabek, through this event the Ministry of Youth and Sports announced that 113 students had passed the selection among the 5 UPNVJ students who had passed the selection and were entitled to receive venture capital from the Ministry of Youth and Sports Capital Access program in the form of cash worth 15 million rupiah.

The following are 5 students who have successfully passed the Kemenpora Access to Capital program:
