HumasUPNVJ â€“ After being declared passed through the 2020 State University Entrance National Selection (SNMPTN) at the State Defense Campus, there are several stages of re-registration that must be completed. But as we know, currently Indonesia, especially the city of Jakarta, is facing a pandemic in the form of a terrible disease outbreak, so as good citizens who comply with government regulations, we must practice *social distancing* for an undetermined amount of time. So, for UPNVJ candidates for the 2020 SNMPTN route, you don't need to go to campus, by #dirumahaja you can carry out the re-registration stage to determine Single Tuition Fee (UKT) and complete your personal data as a UPNVJ student.
