

UPNVJ Holds Competition on National Education Day

Saturday, 02 May 2020 15:10 WIB

The lecture period is the most appropriate way to prepare Indonesia's golden generation in the future. One way to increase the enthusiasm for work and achievement for the nation's children is to train them to compete with others so that they can have high competitiveness with other countries in the future.

There are many choices of activities that can be used as a reference to foster the enthusiasm of young people. One of them is by scheduling the "Innovation Challenge" event in which there are various branches of competition.

The purpose of this implementation is to increase the creativity of young Indonesians, increase the fighting spirit of UPNVJ students, strengthen the bonds of brotherhood among students, train individuals who are independent and responsible for Indonesia in the future. the theme of this activity is "Being Creative is a way of Life". In this competition there are three categories that are contested, namely making socialization videos, making designs, and making robots or smart applications. following terms:

1. Make socialization videos with the following theme choices:

- UPNVJ against Covid-19
- The dangers of smoking in the UPNVJ environment
- Go Green Culture (No littering, waste recycling etc.)
- Energy saving
- Honesty/Integrity
- Plagiarism
- Care about the future
- Be a creative human

2. Create Design

- Activity Certificate Design
- UPNVJ 60th Anniversary Design
- UPNVJ Merchandise Design (T-shirts, stickers, goodybags, key chains, nametag hangers, etc.)

3. Build robots or intelligent applications

- Robot Innovation Competition
- Smart Application Innovation Contest
- Technology Innovation Competition related to covid 19

The design and video submission deadline is Thursday, May 14 2020 by sending it to UPNVJ's public relations email, namely humas@upnvj.ac.id. The winners will be given the following awards:
