

7 Things to Look For For 2020 UTBK-SBMPTN Registrants

Thursday, 28 May 2020 13:32 WIB

HumasUPNVJ - Registration for the 2020 Computer Based Writing Examination (UTBK) will soon take place on 2 June 2020.

Reporting from the kompas.com page, not only UPN Veteran Jakarta, a number of universities such as the University of Indonesia (UI), Bandung Institute of Technology (ITB), Gadjah Mada University (UGM), and other universities also use UTBK scores as one of the graduation assessments.

Reporting from the official LTMPT website, here are some things that must be considered for UTBK-SBMPTN 2020 applicants:

1. Already have an LTMPT account
2. If you have passed SNMPTN, you cannot re-enroll at UTBK SBMPTN
3. Select the nearest UTBK center location from where you live
4. Participants can only register once. There is no registration fee for KIP Lecture Numbers
5. Choose a study program according to the requirements for the SMTA major set by PTN (can be seen on this page <https://ltmpt.ac.id/>)
6. Make sure the data entry is correct including disability data (if any)
7. If you have stored it permanently (card printing), the data cannot be changed again

You can inform some of the important things above to your relatives and family as an important guide before the registration date starts.
