Enthusiasm radiates from the face of a student from one of the public high schools in Jakarta. He did not want to miss taking the Computer Based Writing Examination (UTBK) in 2020. Saturday (11/7) at UPN Veteran Jakarta.

He is M Achyar, he came with his parents and willingly came using a wheelchair. Because he just fell while exercising with his friends in the Senayan area of Jakarta.

This student who plans to continue on to higher education admits that he doesn't want to lose the UTBK moment, so he tries to attend.

"I don't want to lose the UTBK momentum to be able to continue my education at State Universities, that's why I'm trying to join now even though with the assistance of a wheelchair," said Achyar.

According to the public relations section of the UPNVJ UTBK center, UPNVJ continued to facilitate all the needs of its participants in participating in UTBK, including for Muhamad Akhyar.

While sitting in the wheelchair, he tried to steady himself. "Sooooooo!" he shouted, smiling. It could be, that word really represents his feelings to be able to continue his education to a higher education level.
