Jakarta, October 28, 2016. To motivate students to create a Student Creativity Program or PKM for short, so that the PKM proposal can pass the selection at the Ministry of Research, Technology and Higher Education, the Faculty of Engineering held a "PKM Faculty of Engineering Workshop" which took place in the Auditorium on the 4th floor of the Faculty of Engineering building. The workshop event presented resource person Mr. Umar Mansur Msc, Apt from Kemenristekdikti. to provide material that is expected to motivate students.
