

The Covid 19 Pandemic Is Not an Barrier to Work

Friday, 18 December 2020 15:11 WIB

HumasUPNVJ - Since March 15 2020, the president of the Republic of Indonesia, Joko Widodo has advised all Indonesian people to do their activities from home, which means studying, working and worshipping are done from home. thus, all activities are carried out *online*, as is the case with national competition activities held by three UPN Veterans (UPN Veteran East Java and UPN Veteran Yogyakarta) which are ultimately held online for the sake of maintaining shared health.

In this series of activities, there were two competitions held, namely the Video and Poster Making Competition. And here are the names of the winners:
