

MBKM Program Implementation Cooperation Coordination Meeting

Wednesday, 23 December 2020 17:19 WIB

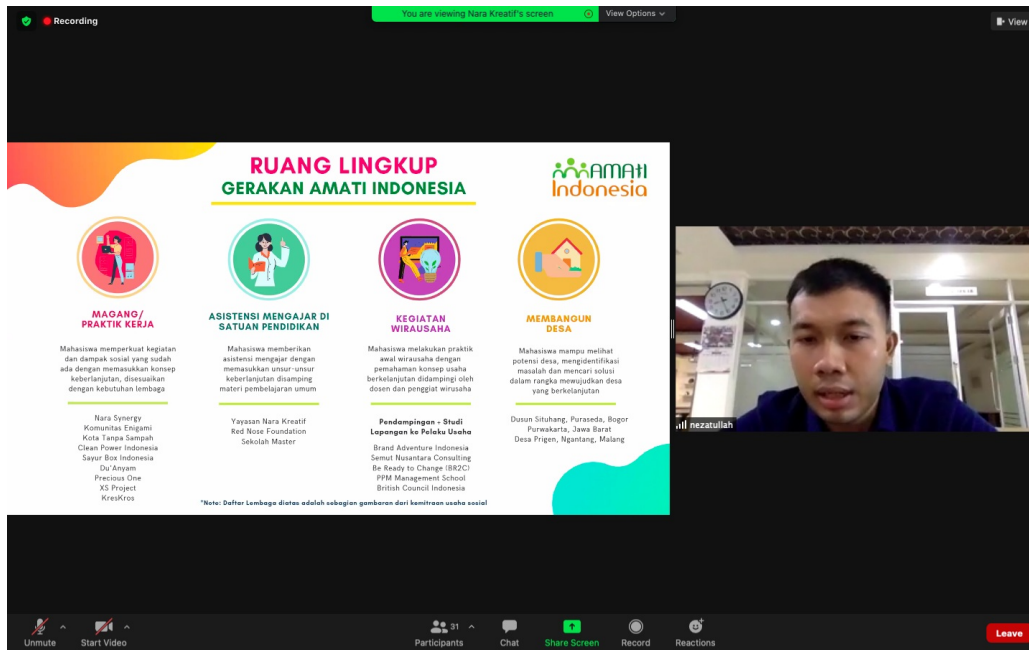

HumasUPNVJ - As we all know, Merdeka Belajar “Merdeka Campus, is a policy of the Minister of Education and Culture, which aims to encourage students to master various knowledge that is useful for entering the world of work. The Merdeka Campus provides opportunities for students to choose the courses they will take. The Independent Learning Policy - Independent Campus is in accordance with Permendikbud Number 3 of 2020 concerning National Higher Education Standards, in Article 18 it is stated that fulfilling the time and study load for undergraduate or applied undergraduate program students can be carried out: Follow the entire learning process in study programs at tertiary institutions according to the period and study load; and follow the learning process in the study program to fulfill part of the learning period and load and the rest follow the learning process outside the study program. Through Merdeka Belajar “Merdeka Campus, students have the opportunity for 1 (one) semester or the equivalent of 20 (twenty) credits to study outside the study program at the same university; and a maximum of 2 (two) semesters or the equivalent of 40 (forty) credits studying in the same study program at different tertiary institutions, studying in different study programs in different tertiary institutions; and/or learning outside of Higher Education. With this, UPN Veteran Jakarta plans to collaborate with AMATI Indonesia (Indonesian Productive Student Action).

In his introduction, Anter Venus discussed several matters related to the implementation of MBKM within the UPNVJ environment which have been realized and will continue to be improved.

The activity continued with a presentation from Nezatullah, a representative from AMATI Indonesia, "AMATI Indonesia as a solution to implementing the Merdeka Learning - Merdeka Campus policy which provides a platform for students to gain hands-on experience and knowledge about the concept of sustainability (sustainability) through apprenticeships or social projects in one social group. enterprise/UMKM/community in accordance with individual interests in order to improve hard skills/soft skills while at the same time having a positive impact on the advancement of social enterprises and creating sustainable businesses in Indonesia". he explained

"We have an ongoing program, namely *Crowd Funding Access*, which is a place to collect funds to carry out social projects in collaboration with **benuhbaik.com**, Connection and Collaboration to various Social Enterprises/MSMEs/Communities in Indonesia, Providing Incentives from experts in various fields for students (*face to face method and e-course*). he continued
