

Let's See, PDSS Filling and Important Schedule for SNMPTN

Friday, 15 January 2021 12:48 WIB

HumasUPNVJ - Quoting the TRIBUNNEWS.COM page, the following is the process for filling in School and Student Data (PDSS) for registration for the National Selection to Enter State Universities (SNMPTN)

Monday (11/1/2021) at 15.00 WIB PDSS begins through the LTMPT account as part of the requirements for participating in the 2021 SNMPTN .

PDSS filling takes place from **11 January 2021 to 8 February 2021**.

The method is by logging in to the official LTMPT website at www.ltmpt.ac.id .

By accessing www.ltmpt.ac.id , you can also find out the requirements for schools and SNMPTN 2021 participants.

The Chief Executive of LTMPT, Budi Prasetyo explained the mechanism for implementing SNMPTN, UTBK and SBMPTN for 2021.

Especially for the 2021 SNMPTN, grade 12 high school/MA/vocational high school students in 2021 can take part who have excellent achievements with four conditions, namely:

1. First, students have academic achievements and meet the requirements determined by each PTN.
2. Second, students have NISN and are registered with PDSS.
3. Third, have semester 1-5 report cards that have been filled in the PDSS.
4. Fourth, participants who choose the arts and sports study program are required to upload a portfolio.

Furthermore, schools also need to meet a number of requirements, namely having an NPSN, completing the School and Student Data Base (PDSS), and the number of students who can be registered is determined by school accreditation.

How to fill in to fill out the PDSS, namely:

School login at <https://pdss.ltmpt.ac.id>

Make sure you have completed the Eligible Student Determination beforehand. If you haven't finished it, first follow the guide at <https://www.ltmpt.ac.id/> or you can go through the following link

If stage 2 has been completed, then fill in the type of study per student per department

Define the curriculum for each level semester with the total semester that students must take minus the current semester

Define the subjects for each semester level

Perform curriculum data finalization. If the finalization has been carried out, the school can no longer change the type of student study or the curriculum and subjects anymore, so make sure the data is correct.

Fill in the value per student per semester level with previously defined subjects.
Filling can be done per student or in bulk upload. Finalize the value data.
Make sure charging is correct.
