

UPNVJ Chancellor Appoints Management of MPM, University BEM and UKM in 2021

Wednesday, 03 February 2021 16:48 WIB

HumasUPNVJ " As many as 28 students including the Student Consultative Council (MPM), University Student Executive Board (BEM-U) and Heads of Student Activity Units (UKM) were sworn in online by the Chancellor of UPN Veteran Jakarta, on Wednesday (02/02/2021) . This inauguration process is the beginning of the start of the new management to carry out their duties for the next year.

The event was attended by vice-chancellors, deans and all supervisors of student activity units before the audience. The Chancellor of UPN Veterans Jakarta Erna Hernawati said that the inauguration of these administrators was a sign of the complete trust of other students in the current appointed administrators. The Chancellor also hopes that all activities and programs that will be carried out in the future must conform to the vision of the university and do not forget to implement the identity of the Bela Negara campus that UPNVJ has.

The Chancellor also expressed his hope for these new administrators to keep trying to maintain the good name of the campus, advancing UPN Veteran Jakarta with their creativity so that they can be on par with other excellent universities.

" I hope that together we can advance UPN Vetyeran Jakarta with your creativity so that it can be equal or more than other superior PTNs. I also entrust this National Defense Identity to each of you in accordance with your development and creativity, " added the chancellor.

The Chancellor congratulated the UKM administrators. Apart from that, the Chancellor also said that in general there are ormawa so that existing infrastructure can be used better and also that current administrators must have innovations and new breakthroughs so that their goals can be achieved properly.

" The existence of student organizations can help all students. Orientation can get achievements and lead to community service," said the chancellor.
