HumasUPNVJ â€” Kemdikbud - Ministry of Education and Culture Press Release Number: 20/sipres/A6/II/2021. Teaching Campus is teaching activities in schools which are part of the Independent Campus program. The Minister of Education and Culture (Mendikbud), Nadiem Anwar Makarim explained that the purpose of holding the Teaching Campus was first, to present students as part of strengthening literacy and numeracy learning. Second, helping learning during a pandemic, especially for elementary schools in 3T areas. The implementation of this program itself is supported by the Education Fund Management Institution (LPDP).

â€œThe challenges we face are enormous, especially for our younger siblings who are in elementary school. Through the 2021 Teaching Campus, I want to challenge younger students to also say "I WANT!" Namely wanting to help turn

these challenges into hopes," said the Minister of Education and Culture when launching the online Teaching Campus program in Jakarta, Tuesday (9/2).

Furthermore, the Minister of Education and Culture also invited fellow students from all over Indonesia to take action, collaborate, and be creative for twelve weeks to improve the quality of learning in elementary schools, especially those in the 3T areas, while honing leadership, emotional maturity, and social sensitivity.

At the end of his remarks, the Minister of Education and Culture also emphasized that universities and lecturers should support their students to take part in the Independent Campus program and facilitate the conversion of credits, because the Independent Campus is a student's right to study outside the campus or study program.

Continuing the Minister of Education and Culture, Main Director of the Education Fund Management Institution (LPDP), Ministry of Finance (Ministry of Finance), Rionald Silaban, welcomed the program initiated by the Ministry of Education and Culture within the framework of the Independent Campus program. "It is our hope that the scholarship recipients will be able to contribute to the real problems faced by the world of education as a result of the impact of the COVID-19 pandemic," said Rionald when conveying his aspirations for the Teaching Campus program, which is the fruit of collaboration between the Ministry of Education and Culture and LPDP.

"Finally, we from the LPDP wish us the best of luck serving the motherland through this Teaching Campus program, always take care of ourselves in a pandemic situation and maintain the good name of the Ministry of Education and Culture and LPDP wherever they are," said Rionald ending his remarks.

The Director General of Higher Education, Nizam, then gave a more detailed explanation of the Teaching Campus program. In addition to the benefits for students that have been conveyed by the Minister of Education and Culture, Nizam explained that in this Teaching Campus program students will receive UKT deductions, living expenses assistance, and credit conversion of up to 12 credits.

In relation to the COVID-19 pandemic, Nizam emphasized, "The Teaching Campus will look for students who live close to the target elementary school, so this program will not cause student mobilization." In addition, students also act as
