

The highlight of the 58th UPN Veterans Jakarta Anniversary Celebration

Thursday, 25 February 2021 16:40 WIB

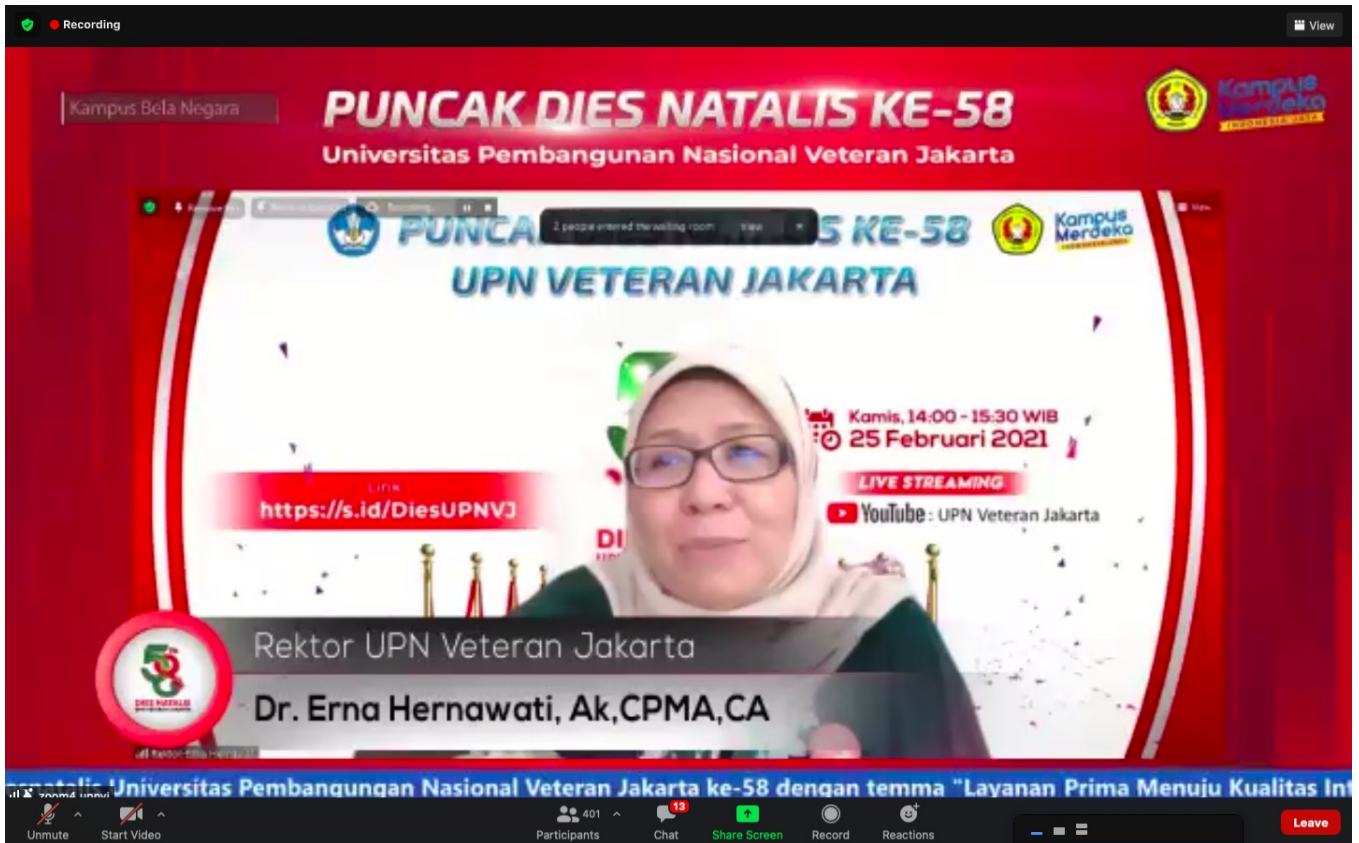

Still in the splendor of the 58th UPNVJ Veterans Jakarta Anniversary, After the University Open Session event which was held some time ago, UPN Veterans Jakarta (UPNVJ) again held the Peak of its 58th Anniversary online, on Thursday (25/02/21) .

Where the previous event was packaged in a formal manner, this time the event was packaged quite differently and interestingly by presenting some entertainment and door prizes that could be witnessed and participated in by all academics in the lively 58th anniversary of the UPN Veterans Jakarta.

At the beginning of the event, the Chancellor of UPN Veterans Jakarta said that this activity was very thick with mutually friendly activities, but with the current situation, hopefully our enthusiasm can be intertwined, I see that the competition being held can provide added value to UPNVJ's achievements. Because our goal is to realize the vision and UPNVJ is superior.

The enthusiasm of the participants can be seen from the many participants who participated in the lively 58th Anniversary with a total of approximately 400 participants covering all UPNVJ academics.

Various previous competitions have been held with competitions that carry research, community service to creativity which are attended by lecturers, educational staff to students within the UPNVJ environment.

The Chancellor of UPNVJ congratulated all the winners and conveyed his thanks to all parties involved such as supervisors from the faculty study programs.

"Hopefully this can be a motivation for other ideas and breakthroughs and we are waiting for other creativity," said the chancellor.

Not only that, represented by the Deputy Chancellor for Academic Affairs announced several achievements that had been given by UPNVJ lecturers as a form of appreciation for the achievements made by UPNVJ giving incentive money totaling Rp. 10,000,000.-.

With the various achievements given, it is hoped that this will trigger new enthusiasm for all academics in providing the best for UPNVJ.
