HumasUPNVJ - Faculty of Medicine, Jakarta Veterans National Development University on Tuesday, April 20 2021 held an "Open Session of the Faculty of Medicine Senate" in the framework of the 65th batch of Doctors' Inauguration and Oath in 2021 with a total of 7 people. The Faculty of Medicine, UPN Veterans Jakarta, is again holding the 64th Doctor's Inauguration and Oath Ceremony online because it is still in the Covid-19 pandemic, I hope this virus will end quickly and we can carry out our daily activities normally again. Wednesday (21/01/2021)

The academic report of the medical profession study program submitted by the Head of PSKPD Study Program, dr. Sekar Dorojati Yuliana Sp.B congratulated him on the inauguration of 7 new doctors who had been declared graduates of UKMPPD in February 2021. Thus the number of doctors who have been sworn in by FK UPN Veteran Jakarta to date is 2722 people. We hope that the medical graduates this time can contribute positively to health development in Indonesia.

Remarks by representatives of young doctors by Dr. Dwi Rafita Lestari expressed his gratitude to the Faculty of Medicine UPN Veterans Jakarta for the doctor's oath ceremony that was carried out well and congratulated colleagues who have succeeded at this point where now we have become doctors. "We are also grateful to the parents who are still around or have passed away as well as lecturers at the UPN Veteran Jakarta Faculty of Medicine and consultants throughout the UPN Veteran Jakarta Faculty of Medicine teaching hospital, which in the future we will become doctors who are professional, have integrity and always uphold professional ethics. "As we know that becoming a doctor is not an easy thing after a long journey that has been taken and required to learn all of life. We are aware that what we get is not the end of everything," he said.

Speech by the Dean of the Faculty of Medicine at the National Veterans Development University Jakarta by Dr. dr. H. Taufiq Fredrik Pasiak, MKes, M.Pd.I congratulates you on your success in completing Academic Education in the Doctor Profession Study Program at the UPNVJ Faculty of Medicine. At the inauguration and swearing in of this doctor you have become a colleague and not a student at UPN Veterans Jakarta Faculty of Medicine anymore, even though you are a colleague but do not break the relationship between teacher and student. "This is not the end, this is the beginning for you to move forward." The Faculty of Medicine has so far inaugurated and graduated 2,722 doctors, all of whom have worked in various government and private agencies, such as the Ministry of Health, the Indonesian National Armed Forces, and other government ministries. At the inauguration and swearing in of the 65th batch of doctors in 2021 with an average GPA of 3.49 with the highest GPA of 3.69 on behalf of Dr. Puteri Nasuha Sobirin. "The success of this life that is taught by parents includes the success of our children. If our children are successful, then part of our life has been fulfilled." he said

Remarks from the UPNVJ Chancellor represented by Warek Bid. Academic Dr. Anter Venus, MA, Comm congratulates the young doctor from the Faculty of Medicine on the inauguration and swearing in of the 65th batch of doctors in 2021 and congratulations to the parents who have entrusted their children's education at the Jakarta National Development University. Inauguration and taking the oath as a doctor is a new journey point to live the profession as a doctor, "We at the university hope not only to be competent in carrying out the profession as a doctor but also to behave ethically and humanely".
