HumasUPNVJ - In order to give appreciation to students who have had many achievements, UPN Veteran Jakarta again gave the "Karya Mahardika" award to the five best graduates at the 66th graduation this year which was held in the Nusantara 1 meeting room which was attended by the Deputy Chancellor, University leaders, Deans and deputy Deans for three fields in each faculty while still implementing strict health protocols. (4/5/21)

UPNVJ gives the Karya Mahardika award to graduates who excel in academic and non-academic fields. The word Mahardika which is used for the name of this award means "Scientific and Virtuous", in accordance with UPNVJ's hope that all UPNVJ graduates will not only have high knowledge but also have noble norms and behavior.

The best graduates who receive the Mahardika Work are representatives from each faculty including; Muhamad Abdul Gonie Al-Kahfi (Faculty of Economics and Business with GPA 3.97), Nailia Andriani Sakinah (Faculty of Law with GPA 3.92), Fitri Alwiyah (Faculty of Social and Political Sciences with GPA 3.85), Anissa Edriani (Faculty of Computer Science with a GPA of 3.80), and Fitri Nur Afifah (Faculty of Health Sciences with a GPA of 3.87). They all have many achievements in both academic and non-academic fields.

Vice Chancellor for student affairs and cooperation, Dr. dr. Prof. -Your achievements, you are able to motivate your friends and other younger siblings to be able to improve their achievements both in the academic and non-academic fields. Congratulations to you, you are great people, I hope wherever you continue your journey / work, hopefully you can continue to be a good and proud person.â€ said dr. Ria

Muhammad Abdul Gonie representing the recipients of other student works, thanked the campus for being a forum for creativity and a place to shape character as *an Agent of Change*, "I am very proud to be a graduate of this Bela Negara campus, I think UPNVJ is no longer just a a place for studying but it has become a place for me and other friends to become much better individuals, in my opinion this campus can shape the character of its students and students to become *agents of change*.â€ he said
