HumasUPNVJ - In order to establish cooperation with Indramayu Regency in the field of Tri Dharma, the Chancellor of UPN Veteran Jakarta signed a *Memorandum of Understanding* / MoU with the Regent of Indramayu, Nina Agustina who is located at the Office of the Regent of Indramayu. The signing of *the MoU* was attended by the Regent and her staff, UPNVJ Deputy Chancellor for Student Affairs and Cooperation, Dean and Deputy Dean for three fields of the Faculty of Law, Head of the Institute for Research and Community Service and the UPNVJ Public Relations team, Wednesday 9 June 2021.

The Chancellor of UPNVJ in his speech explained that this collaboration was carried out to collaborate with Indramayu in the fields of Tri Dharma, Education and Health, "By having the status of a state university from 2014, we already have an unusually high interest in new students. This is what makes us want to improve human resources. When doing the mapping, I saw that many students came from the city of Jakarta alone, therefore we UPNVJ want to provide opportunities for the best sons and daughters of the region, especially in this case in the Indramayu region. So, apart from our original goal, namely to collaborate in the Tri Dharma field, we also want to collaborate in the education sector." he said

Nina Agustina who is also an alumnus of UPNVJ, told more or less about the situation and condition of education and health in Indramayu, "As we know, our level of education here is still lacking and the rate of stunting is the highest, with this good cooperation we hope we can advancing the education of the nation's children, especially the best sons and daughters from the Indramayu area". she said

The activity was followed by discussion and hospitality.
