

Announcement of Jakarta-LTMPT 2021 SBMPTN Results

Tuesday, 15 June 2021 09:04 WIB

HumasUPNVJ - PRESS RELEASE Number: 03/sipers/ltmpt/VI/2021 - Announcement of Jakarta-LTMPT 2021 SBMPTN Results: The Higher Education Entrance Test Institute (LTMPT) determines the results of the 2021 State University Entrance Joint Selection (SBMPTN). Selection results are announced online today, Monday, June 14 2021 starting at 15.00 WIB. LTMPT determined that 184,942 participants were declared to have passed the 2021 SBMPTN consisting of 92,963 Science and Technology study programs and 91,979 Social Science study programs. When viewed based on status, 123,875 regular participants were accepted and 61,067 KIP Lectures.

This selection was also attended by 265 disabled participants with 19 students who were accepted or passed in the Science and Technology study program and 44 participants in the Social Sciences study program. The number of participants who passed was the result of selection from 777,858 applicants nationally, consisting of the Science and Technology exam group with 336,834 applicants and 85,149 accepted or with an accepted percentage of 25.28%. Soshum registrants were 378,556 and 83,836 were accepted or with an accepted percentage of 22.15%. Science and Soshum (Mixed) registrants were 62,468, while the number accepted was 15,957 or 25.54% of the SBMPTN route with a minimum quota of 40% of PTN capacity (30% minimum at PTN BH) is a selection based on UTBK results.

The test is carried out using a computer, with the costs being borne by the participants and government subsidies. UTBK-SBMPTN participants consist of 74 State Universities and Institutes, 12 Vocational Studies at Universities and Institutes (Unsita), 40 State Polytechnics and 11 PT KIN (UIN) throughout Indonesia with a total capacity of 197,657 seats.
