

UPNVJ Deputy Chancellor 3 Monitors 27 Komcad Troops

Thursday, 17 June 2021 16:05 WIB

HumasUPNVJ - UPN Veteran Jakarta sent as many as 27 Reserve Component (Komcad) candidates who came from various work backgrounds, namely students, education staff and lecturers. Currently the 30 troops have completed administrative and health processes in Rindam Jaya, Pasar Rebo, East Jakarta.

According to Lieutenant Colonel Priyo, from the beginning of the selection at the level, no problems were found from the representatives he sent. "Thank God it's still running smoothly, there haven't been any reports of problems either, but there were 2 Komcad candidates from UPNVJ who we sent home because they didn't pass the health section," he said.

He explained that the Komcad candidates would follow a limited military basis for the next three months. However, if the settlement and training have been completed, they will be returned to the community with ordinary civil rights.

"Those who registered yesterday, there were students, laborers and even those who didn't have a job," he added.

The vice-chancellor for three fields of Student Affairs and Cooperation said that he would continue to monitor students and employees who took part in this Komcad, starting from licensing lectures and giving incentives.

Meanwhile, the requirements that must be met by the Komcad candidate are Indonesian citizens (WNI), minimum age of 18 to 35 years, no criminal record, physically and mentally healthy, male or female, not a member of the TNI/Polri.

Then the next requirement is to be willing to be mobilized throughout the territory of the Republic of Indonesia, willing to take part in the selection held by the committee.
