

The SEMA S1 Achievement Pathway is Tightened, Skills Test Becomes More Competitive

Tuesday, 22 June 2021 13:43 WIB

HumasUPNVJ - Jakarta Veterans National Development University again held a Skills Test for participants who registered for the undergraduate program's Independent Selection (SEMA) pathway, which was held at the UPNVJ campus. Social Sciences and Political Sciences Moh. Yamin while the Hafidz Al-Quran participants took place at the Manbaul Ulum Mosque. This time the Skills Test is getting tighter starting from the assessment process and also of course from the health protocol at UPNVJ itself. The participants were equipped with *face shields*, medical masks and gloves. (22/06)

The provisions that exist in this achievement path, including;

*Hafidz Al-Quran

- Prospective participants who can take this route are those who are able to memorize a minimum of 20 Juz of the Koran, as evidenced by a photocopy of a certificate/diploma or a certificate from a pesantren, madrasa or Al-Quran tahfiz institution.
- At the time of registration, prospective participants must upload original/colored proof of certificates/diplomas or certificates from Islamic boarding schools, madrasas or Al-Quran tahfiz institutions which will then be validated by the selection team.
- For those who meet these criteria, it is mandatory to take the re-test of Al-Quran memorization. (to be held today)

* YouTube Content Creator

- Prospective participants who can follow this path are those who have Subscribers (Original) with a minimum number of 10,000 Subscribers.
- Have at least two videos with a minimum of 100,000 viewers/viewers each with the criteria of being useful, educational, creative, inspiring, original, interesting and meeting editing standards and good image quality.
- At the time of registration, prospective participants must upload screenshots of proof of the YouTube channel profile and include the address of the prospective participant's *YouTube channel link* which will then be validated by the selection team.
- For those who meet these criteria, they are required to take a skill test in the form of making a 3-5 minute video with a theme determined by the committee using their respective equipment/equipment. (to be held today)

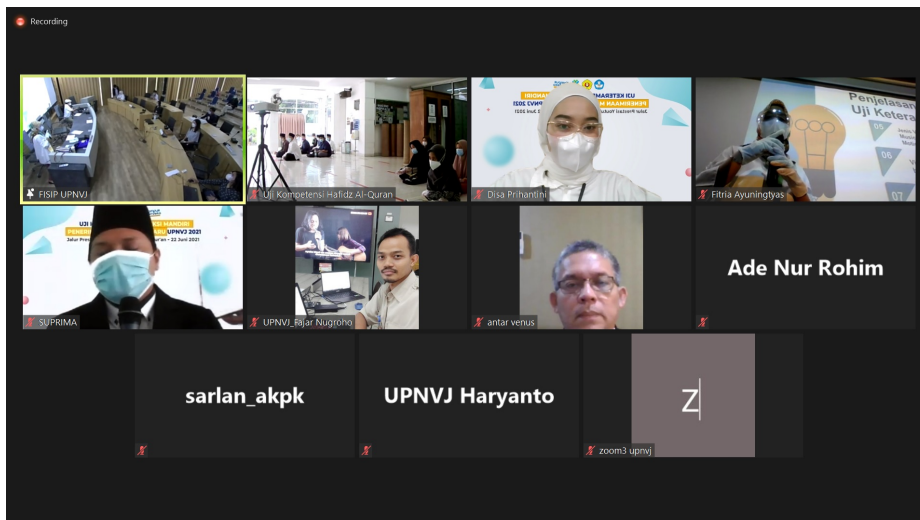

As for the jury, who acted in each skill field, namely, Suprima as the coordinator of the Hafidz Al-Quran field, was accompanied by an assessor, Ade Nur Rohim, while the one who acted as coordinator for the YCC field, namely Miss Fitria Ayuningtias was accompanied by a member of the assessor, Firdaus Noor.

The activity started at 09:00 in the morning and was opened by remarks by the Vice Chancellor for Academic Affairs, Anter Venus warmly welcomed the participants who were already present and explained that the achievement track skill test was indeed competitive, "This achievement path is especially for Hafidz Al-Quran and *YouTube Content*

Creator is carried out to see prospective students who have creative talents and ideas that are different from other prospective students. I believe that those of you who passed at this stage, both Hafidz and Yotuber, are the chosen ones who have fulfilled the initial stage requirements." Venus said

"The spirit of work and competition and continue to comply with health protocols". Close it
