

The First PTN to Open a Special Pathway for YouTubers, UPNVJ Holds Skills Test Again

Tuesday, 22 June 2021 13:51 WIB

HumasUPNVJ - As in previous years, UPN Veteran Jakarta opened a Special Achievement Track for *YouTube Content Creator* on the entry route for new student admissions. Even though at the beginning this line was published to the wider community, it reaped a lot of polemic, but UPNVJ was able to prove to the public that with this special YouTuber achievement track, it can open up opportunities and become a place for young creators to work and channel their talents.

In 2021, UPNVJ is again holding a special YCC skills test which will be held in the auditorium of the Faculty of Social and Political Sciences, Moh. Yamin (22/06) which was attended by four selected participants who passed the skill test stage, including: Audijie Keyshia Putri Jugosatrio, Aurellia Astadewi, Krisna Maulana Nugraha, and Raissa Anggiani Sulastyo.

In addition, this year, Miss Fitria Ayuningtias and Firdaus Noor are again entrusted with being the examiners (jury board).

UPNVJ Deputy Chancellor for Academic Affairs, Dr. Antar Venus, MA, Comm in his speech said that with this pathway it would certainly be a place for our country's young creators to work and also of course improve the quality of universities, "With this pathway it will be a differentiator for other PTNs because we become campuses which accommodates the creative ideas of young people. For the YCC pathway, we will ensure that the video content that is a requirement for UPNVJ's provisions is the original video made by the participants and of course it can be accounted for. Apart from that, it must have elements of communicative, innovative, creative and most importantly educative, because those are the criteria we need the most." Venus light

Firdaus Noor and also Fitria explained the matters/terms and conditions that were of concern to the participants, such as the videos made were the original works of UPNVJ SEMA participants in 2021, the music/songs used in the videos are not allowed to use other people's creations (*Free Copyright*) , unless there is written permission, including the use of images/clips, The video content does not contain elements of SARA, Pornography and Politics, The themes created can follow the specified theme or other themes related to the focus of the channel's content, This year's theme is "WORKING IN THE MIDDLE PANDEMI" and other terms and conditions that become assessors in this skill test.

The skills test will take place until 14:00 WIB this afternoon and will be carried out while adhering to health protocols, namely wearing a medical mask - *face shield*, gloves, maintaining distance, washing hands and having provided *sanitizers* at every location point.
