

Information National Seminar on Informatics, Information Systems and Cybersecurity (SEINASIKESI 2021)

Wednesday, 11 August 2021 21:25 WIB

National Seminar on Informatics, Information Systems and Cybersecurity (SEINASIKESI 2021)

THE ROLE OF INFORMATION AND COMMUNICATION TECHNOLOGY IN FACING THE PANDEMI PERIOD IN THE NEW NORMAL ERA TOWARDS SOCIETY 5.0

... October 28-29, 2021

SEINASI-KESI is the 2021 National Seminar on Informatics, Information Systems and Cybersecurity, which is the 4th national scale seminar by presenting speakers who are professional and competent in their fields.

SEINASI-KESI is a national-level scientific meeting in the field of information and communication technology (ICT), where researchers and practitioners can disseminate the latest research results and discuss current issues in the field of ICT, especially problems in the fields of IT, IS, Multimedia and cyber.

Seminar Topics:

- Artificial Intelligence
- Software Engineering
- Information System
- Computer Based Learning
- ICT Education
- Data Communications
- Digital Signals and Image Processing
- Multimedia
- Soft Computing
- Data Mining and Data Warehousing
- E-Government
- IT Government
- IT Management
- E-Business & E-Commerce
- ERP, SCM, CRM
- Other information technology application areas
- Data Mining and Data Warehousing
- Cyber Security

Speaker

- Bayu Adhi Tama, Ph.D (Data Science Group, Institute for Basic Science (IBS), South Korea)
- Rudi Heriansyah (Malaysia Institute of Information Technology (MIIT))
- Prof. Ir. Teddy Mantoro, Ph.D, SMEIEEE (Sampoerna University)
- Dr. Anther Venus, MA. Comm (UPN Veterans Jakarta)

Important Dates

- Deadline for Full Paper Submission: August 22, 2021
- Accepted Paper Collection: 15 September 2021
- Registration and Payment : 20 September - 01 October 2021
- Final Camera Ready Deadline: October 5, 2021

Seminar Nasional ke-4
SEINASI-KESI
Seminar Nasional Informatika, Sistem Informasi, dan Keamanan Siber

**“PERANAN TEKNOLOGI INFORMASI DAN KOMUNIKASI
MENGHADAPI MASA PANDEMI
DI ERA NEW NORMAL MENUJU SOCIETY 5.0”**

28 - 29 OKTOBER 2021

Dr. Ayu Adhi Tama, Ph.D
Data Science Group, Institute for Basic Science (IBS), Korea Selatan

Rudi Heriansyah, Ph.D
Head of Section (Director Engineering Technology), Malaysian Institute of Information Technology (MIIT), Universiti Kuala Lumpur (UiTM), Kuala Lumpur, Malaysia

Prof. Dr. Teddy Mantoro, Ph.D., SMIEEE
Professor, Faculty of Engineering & Technology, Sampoerna University, Jakarta, Indonesia

Dr. Aiter Veritas, MA, Comm
Wakil Rektor Bidang Akademik UPN Veteran Jakarta, Jakarta, Indonesia

TANGGAL PENTING

Batas Akhir Pengumpulan Full Paper:
22 Agustus 2021
Pengumuman Paper Diterima:
15 September 2021
Registrasi dan Pembayaran:
20 September - 25 Oktober 2021
Batas Final Camera Ready:
5 Oktober 2021

TOPIK PENELITIAN

- Kecerdasan Buatan
- Software Engineering
- Sistem Informasi
- Computer Based Learning
- Pendidikan TIK
- Computer Networking
- Data Communication
- Digital Signal dan Image Processing
- Multimedia
- Soft Computing
- Data Mining dan Data Warehousing
- E-Government
- IT Governance
- IT Management
- E-Business dan E-Commerce
- ERP, SCM, CRM
- Keamanan Siber
- Area Aplikasi Teknologi Informasi Lainnya.

BIAYA SEMINAR

Presenter Offline	Rp 600.000,-
Presenter Online	Rp 350.000,-
Non-Presenter Offline	Rp 150.000,-
Non-Presenter Online	Rp 150.000,-
Additional Paper	Rp 150.000,-
