XFEST 2022 by Marketeers

Insight . Idea . Impact

Upon reaching adulthood, there are many individuals who have difficulty in planning their lives. There are many questions that are difficult to ask, while some do not even know what question to ask.

Such as: What will I do after I graduate? Am I ready for the future? How exactly does someone become successful? Which path should I take? Should I go to school again? Build my career? Or should I open a business?

Addressing anxiety through stories, @Marketeers proudly presents:
"XFEST 2022: THINGS I WOULD TELL MY YOUNGER SELF"
