Essay Writing Training Faculty of Engineering UPN "Veteran" Jakarta

Tuesday, November 21, 2017

Saturday, November 18 2017 The Industrial Engineering Program Student Association of the Faculty of Engineering (HMTI) has held an *Essay and Paper Class* activity with the theme "*Let's Build Up Our Ideas and Pour Our Imagination Into Word*". The event was held at the 4th floor of the Yos Sudarso Auditorium of the Faculty of Engineering. The event began with remarks from Tatik Juwariyah, M.Sc as the representative of the Faculty of Engineering lecturers. In his remarks he said that this was the right place to gain knowledge about how to write scientifically properly and correctly, by learning directly from experienced experts, enjoy learning and hopefully it will be useful for engineering students in the future.

Faculty of Engineering students who attended this event totaled 80 people from the 2014 to 2017 batches. The speakers who attended this activity were Dr. Tri Mulyani Sunarharum, ST as CEO of the Indonesian Scholars Journal, she is also a writer and Miss Indonesia Diaspora 2016. In addition, there was also a speaker, namely Agung Suharyana who won 1st place in the National Essay Competition for the Indonesian Event Hunter "My Dream for Indonesia Gold 2045" and the Contest *Future Leader League* National Essay, he is also the winner of the 2016 PIMNAS Silver Medal in the field of Community Service and Passed the 2016 & 2017 PKM GT (Written Idea).

At the end of this activity, there was a participant with the best question, namely Giri Purwok from a Naval Architecture Student, who won a special HMTI *Class* notes prize and a soul travelers book prize from the committee. Before the event ended, Dr. Tri Mulyani Sunarharum, ST also gave the Soul Travelers book to the chief executive as a souvenir.
