

Gathering and Discussion with UPNVJ Textile Alumni

Monday, 06 June 2022 15:50 WIB

UPNVJ PR - Representatives of UPN Veterans Jakarta Textile Engineering alumni from various generations who are members of the Textile Alumni Association (IKATEKS) came to visit to stay in touch with the Rector and UPNVJ Vice Rectors, located in the Nusantara 1 meeting room (6/6/22)

Today's activity was attended by approximately 20 participants including ten members of IKATEKS, the Rector, Vice Rectors and student representatives. This activity aims to open a new study program for Textiles at the Faculty of Engineering UPNVJ.

"We came here with the aim of planning to reopen the Textile study program at the Faculty of Engineering," said the Head of IKATEKS, Agus Muntarto.

UPNVJ Rector, Prof. Erna welcomed the arrival of IKATEKS, "Because previously there was an academy in the form of a textile study program, I think we can re-open this study program. The first thing we have to prepare is the Human Resources for this study program. In addition, there are things that need to be considered, such as the criteria for study programs. For the Dean of Faculty of Engineering, please change the HR criteria with the latest Rector's Decree. Because the proposal for this Textile study program has been processed before," said the Chancellor.

UPNVJ Vice Rector for Academic Affairs, Antar Venus also added that the requirements for the establishment of the study program were that 5 lecturers must be permanent lecturers with linear disciplines, "As directed by the Rector, it will be processed as soon as possible but what really needs to be paid attention to is qualified human resources, we need at least five permanent lecturers with linear disciplines," added Venus.

This visit was followed by a discussion session.
