This skill test activity was attended by the Vice Chancellor for Academic Affairs, Dr. Anter Venus via online, in her speech, Venus said that UPNVJ is a campus that provides a forum and appreciation for all prospective new students who have above average achievements, especially Hafidz Al-Quran and YouTubers.

“For Hafidz Al-Quran, it will be assessed directly by Ustad/lecturers who are indeed competent in their fields, and YouTubers will be tested by a team of assessors who are also experts. There are several assessments focused for YouTubers; they will be judged from how they shoot the video, how they edit videos, and the content and its originality,” explained Venus.
