The Bachelor of Accounting Student Association (HMJ AKS1) held an ACCRUAL I music event I 2017. Accrual II is a big event in commemoration of the 23rd Anniversary of HMJ AKS1 in the courtyard of the UPN "Veteran" Jakarta Rectorate Building (7/12). The theme raised is "Masterpiece (Make Sure The Javanese Culture Is Part Of Indonesia's Consonance)".

The activity began with remarks by Drs. Nobelson, MM as Deputy Dean of the Faculty of Economics and Business. In his remarks he said "I really appreciate this event because this activity will develop student *soft skills*, especially in the arts and culture. I hope that the committee can organize this activity as well as possible, so that it can provide benefits, especially to students of the Faculty of Economics and other businesses so they can develop competence to continue to work and be creative," he said.

The guest star who attended the music event this time was SISITIPSI which is a band with six personnel that was formed in March 2014 in Jakarta. Musical styles inspired by the sound of the 50's to 80's, combined with bossa nova, samba, swing, classic, bluegrass, country, and jazz will enliven the closing event of the HMJ AKS1 series of events this year.

Apart from the attractive appearances of the guest stars, there were various other performances from Kecikitty, Galassia, Aks1 Project, Jakarta Veterans Dance, Aks1 Fashion Show, Seagrass and The Waves. This event also has a stand that sells various foods and drinks at affordable prices for students. (Anisa's report)
