**HumasUPNVJ** - All families of UPN "Veterans" Jakarta commemorate the Birthday of the Prophet Muhammad SAW 1444 H which falls on October 9, 2022 with the theme "Imitating the Noble Morals of the Prophet Muhammad SAW". This year's Maulid Nabi commemoration was carried out online via *Zoom* and was filled with lectures by Prof. Dr. H. Didin Saepudin, MA as the guest speaker.

Exactly on the 12th of Rabi'ul Awal, the Prophet Muhammad was born into the world and this day is also important to be commemorated and interpreted by Muslims. The essence of this celebration is for us to get to know the Prophet Muhammad SAW better together so that our love for him grows, as conveyed by Prof. Erna Hernawati as Chancellor in her remarks, "Of course getting to know is the door for us to love so knowing the Prophet Muhammad SAW will bring out our love for him. Until now the Prophet is still attached to our daily lives not only because of his teachings but also his example of noble character. With our daily busyness, there should be a time for us to devote time to increase knowledge about his personality and morals." he said.

It is undeniable that the Prophet Muhammad SAW is an exemplary figure for all Muslims because of his very noble morals. The Chairman of the Mosque Prosperity Council (DKM) UPNVJ Suprima Mosque, S.Pd.I, M.Pd.I explained that the presence of the Prophet Muhammad SAW was a blessing from Allah SWT to perfect human morals. "Hopefully what was conveyed by the speakers can be an example for all of us as the Prophet was a good example and has been legitimized by Allah SWT in the Al-Qur'an letter Al-Ahzab verse 21: It has appeared in the Messenger of Allah that he is a good role model for all of us. The presence of the Messenger of Allah is a blessing for the universe as well as to perfect human morals. Obviously.

The UPN "Veteran" Jakarta extended family was very supportive in the success of holding the Commemoration of the Birthday of the Prophet Muhammad SAW 1444 H. There were more than 500 *zoom* participants who attended which indicated that the participants were thirsty for knowledge in order to show love for the Prophet. The Chancellor hopes that this commemoration can provide lessons so that we can improve our morals and behavior so that it becomes more beneficial for individuals and religion.

The Vice Chancellors, Deans and their representatives, Heads of Institutions, Heads of Departments, and active students of UPN "Veteran" Jakarta were also present at this commemoration. The program then continued with listening to the lessons delivered by the speakers who brought the topic "The Prophet's Message to Be Godly People."
