**HumasUPNVJ** - From year to year, UPN "Veteran" Jakarta continues to increase its quota. In 2023, UPNVJ provides opportunities for 3,930 quotas for new students from three admission patterns / entry pathways.

The three patterns of admission and admission at UPNVJ include the National Selection Based on Achievement (SNBP), the National Selection Based on Writing (SNBT), and the Independent Selection (SEMA) for Diploma Three (D3) and Undergraduate (S1) study levels.

Each route already has its own quota, SNBP with a 20% quota of **786 seats** , SNBT with a 50% quota of **1,968 seats** , and SEMA with a 30% quota of **1,176 seats** for a total quota of **3,930 seats**.
