The event began with remarks from the Head of the DKI Jakarta High Prosecutor's Office, Dr. Reda Manthovani, SH, LLM expressed his gratitude to the Dean of the Faculty of Law and his entourage, thanks also to member of Commission III of the Republic of Indonesia DPR Hinca Pandjaitan who witnessed this PKS. Reda Manthovani also said that by implementing this MCC it would support the exchange of information between the law faculty and the high prosecutor's office. As well as the implementation of student training and internships can be realized. it is hoped that this cooperation agreement will be implemented properly and produce human resources who always build the Unitary State of the Republic of Indonesia. Continued Reda Manthovani.

Dr. Abdul Halim, M.Ag in his remarks expressed his gratitude to the head of the Jakarta High Court for being willing to accept the FH. This PKS is a gift for which we should be grateful, especially now that the Faculty of Law UPN Veterans Jakarta is implementing a massive MBKM program. UPN Veteran Jakarta Faculty of Law in 2023 implements full MBKM with an Odd NIM and Even NIM system. NIM Odd students carry out MBKM in the odd semester period, and NIM Even students carry out MBKM in the even semester period. Currently there are 132 NIM Even students who carry out internships organized by the Faculty of Law. Of course, with this PKS, it is a place for our students to gain knowledge at the High Court. Member of Commission III DPR RI Hinca Pandjaitan, who witnessed the MCC, welcomed the signing of this agreement. Furthermore, Hinca welcomes FH's plan to open a research center for the

Attorney General's Office.

After the implementation of PKS, Reda Manthovani, Hinca Pandjaitan and Abdul Halim visited the apprentice students of Aspidsus, Aspidum and Asdatun Kejati. Members of commission III had a dialogue with students who were carrying out internships. The student apprentices explained that they had a lot of extraordinary experiences gained during their internships at the Jakarta High Court.

In a separate place, the Head of the Undergraduate Study Program Taupiqqurrahman, SH, M.Kn hopes that after the signing of the PKS, the NIM Odd S-1 Law students will be able to do internships at the High Prosecutor's Office with 5-10 students in August, the odd semester of the 2023/2024 academic year.
