JAKARTA - In order to foster student interest in participating in the Village Development Grant Program (PHBD) Industrial Engineering Student Association UPN "Veteran" Jakarta held the "1st In2tion ( *Information of Industrial Competition* )" activity with the theme "Dare to Compete" in the Yos Sudarso Auditorium, Faculty of Engineering, Limo, On Wednesday 14 February 2018.

Head of the UPNVJ Industrial Engineering Study Program Muhammad As'adi, ST, MT  
In Delivering His Speech.

The event began with remarks by the Head of the UPNVJ Industrial Engineering Study Program Muhammad As'adi, ST, MT. *In his remarks he said "This is the first work program for the 2018 industrial engineering student association, with this event it is hoped that students will be able to prepare phbd proposals not impromptu as in previous years, so that the preparation can be more mature. And it is hoped that more will take part in the competition, if they haven't won , at least we have a proposal bank. Don't be afraid of the process, winning or losing in competition is number two, the most important thing is the process," he said.*

The series of events from this activity were in the form of *sharing* and motivation for UPNVJ Students in participating in competitions, especially PHBD, *Product Design* Contests and Industrial Engineering Scientific Contests. This activity was attended by 113 participants including UPNVJ Industrial Engineering Students.

Organizing *Information of Industrial Competition* activities with the aim of providing information regarding PHBD and competitions to be held from January to August by various agencies or organizations. In addition, this activity also aims to share experiences and provide motivation to create interest and enthusiasm to take part in PHBD activities and competitions. By holding this event, it is hoped that the contribution of UPNVJ Industrial Engineering Students will increase in participating in PHBD activities and increase contributions to take part in competitions introduced through this activity and be able to win these competitions to make UPN "Veteran" Jakarta proud.
