

For Four Years in a Row, SEMA Achievement Path of Hafidz Al Quran and YouTube Content Creator 2023 Re-Opens!

Tuesday, 04 July 2023 08:07 WIB

HumasUPNVJ - Just like about four years ago, *the YouTube Content Creator* and Hafidz achievement paths are back open.

The Achievement Path is a selection that uses a combination of passing criteria for academic pathways with academic and/or non-academic achievements. The Achievement Path gets a quota of 10% of the entire UPNVJ SEMA pathway with details of 2% science Olympiad, 2% sports and arts, 2% hafiz Al Quran, 2% Student Council Chair, and 2% YouTube creator content. But today, the Skills Test is carried out specifically for only two pathways, namely Hafidz Al-Quran and *YouTube Content Creator* only. The terms and conditions of the two routes are as follows.

Hafiz Al Quran:

Applicants who can take this route are those who have memorized at least 20 chapters of the Al-Quran as evidenced by a certificate, diploma or certificate from a pesantren, madrasa, or Al-Quran tahfiz institution.

Applicants must upload original or colored proof of certificates, diplomas, or certificates from Islamic boarding schools, madrasas, or Al-Quran tahfiz institutions which will then be validated by the Selection Team.

Applicants who meet these criteria are required to take the re-test of Al-Quran memorization.

Registrants are required to upload a statement of willingness to contribute to UPN "Veteran" Jakarta according to their field of expertise, at least 1 achievement per semester at the national level.

Registrants are required to fill in the news link from the school's official website or official school social media regarding their achievements.

Youtube Creator Content:

Registrants who can follow this path are those who have original subscribers with at least 10,000 *subscribers* .

Have at least two videos with a minimum of 100,000 viewers each with the criteria of being useful, educational, creative, inspiring, original, interesting, and meeting *editing* standards, and good image quality.

Applicants must upload *screenshots* of their YouTube channel profiles and include the address of the Applicant's YouTube channel link which will then be validated by the Selection Team.

For those who meet these criteria, they are required to take a skills test in the form of making a 3 to 5 minute video with a theme determined by the UPNVJ SEMA Committee using their respective equipment or equipment. In addition, applicants must upload a statement of willingness to contribute to UPNVJ at least 1 UPNVJ promotional content per semester.

This year, UPNVJ selected two participants who passed verification, including: Suluganwata Sihombing and Muhammad Fauzan Haqiqi. This year, those on duty as the assessment team were Firdaus Noor and Ahsin Thohari who are lecturers at UPNVJ with extensive experience in the world of *videographers* . This skill test was carried out in the UPNVJ FISIP building. (3/7)
