

Futsal Match Celebrates UPNVJ's 46th Anniversary

Friday, 17 November 2023 17:02 WIB

Public Relations UPNVJ – In commemoration of the 46th Anniversary of the beloved UPN "Veteran" Jakarta (UPNVJ) Campus, various events were held, one of which was a futsal tournament between employees which became the highlight of the entire UPNVJ academic community (17/11).

The fierce competition between employees featured interesting actions and tension for 2 x 10 minutes. The match was also successful in entertaining thousands of spectators who attended the Main Campus Futsal Field, Pondok Labu.

The futsal match on the occasion of the Anniversary started with high enthusiasm from the players representing various Work Units (satker). The General Bureau Rectorate Team (Roum) met the Faculty of Economics and Business (FEB) Team in the opening match. This match was tight, with both teams returning goals. Finally, Roum emerged victorious with a score of 4-3 after an exciting match until the end.

The next match brought together the Faculty of Social and Political Sciences (FISIP) Team and *the Office Boy* Team (OB). In a match filled with high tension, OB managed to overcome the pressure from the opposing team and won the match with a score of 1-0.

Then the final match on the first day of the Futsal Competition in the context of UPNVJ's 46th Anniversary brought together the UPT & Institution Rectorate Team with PAM. This interesting match finished with a score of 3-1 where the PAM Team managed to become champions.

This futsal match was only a small part of a series of events for the 46th Anniversary of UPNVJ which was celebrated with great enthusiasm and joy. We hope that this celebration will not only be a moment of togetherness and competitive experience, but also an inspiration for employees to continue to be competent and contribute positively to the progress of the university as well as foster a sense of brotherhood and also build the character of a spirit of sportsmanship.
