

Chancellor Inaugurates APU (UPNVJ Parking Area)

Friday, 26 January 2024 10:30 WIB

Public RelationsUPNVJ - UPN "Veteran" Jakarta has become a state university with Public Service Agency (BLU) status since 2021. With this status, UPNVJ always improves the quality of campus services and infrastructure. In line with this, this year the UPNVJ Chancellor inaugurated the UPNVJ Parking Area (APU) as a parking area specifically for the UPNVJ academic community.

In this inauguration agenda, also present were the Deputy Chancellor for General Affairs and Finance of UPNVJ as the person in charge of building construction, bureau heads, heads of Institutions and SPI, Head of PPK and head of UPT located in the UPNVJ parking area. (26/1)

Anter Venus, Chancellor of UPNVJ said that this parking area was established to improve services in the form of facilities due to the lack of parking space for the UPNVJ academic community, especially UPNVJ students and students, "UPNVJ will continue to transform and improve existing infrastructure and will continue to improve its quality," said The Chancellor before signing the building inauguration inscription.

As the person responsible for building construction, Prof. UPNVJ Deputy Chancellor Pras explained in detail about APU, "Construction of this parking building has been underway since October 2023. The total capacity available is approximately 400 motorbikes, we prioritize the 1st floor for ladies parking (a special parking area for women). Please note, the total building area is 1,630 m2 and the area of each floor is 407 m2. Every time you work on a building, there are bound to be several things that become obstacles

such as difficulties in synchronizing planning results, existing conditions and work implementation methods which ultimately give rise to technical justifications such as several reinforcements and conversions of concrete columns to steel and so on so that it takes time for analysis so that the results presented in the field are good, correct and safe. . "However, this obstacle is not an obstacle so today it can be inaugurated directly by the Chancellor of UPNVJ," he explained.

At the end of the agenda, the UPNVJ Chancellor demonstrated directly by riding a motorbike to try out the APU which had been inaugurated, accompanied by Vice Rector 2 and the Head of UPNVJ PPK.
