

# SOCIALIZATION OF STANDARDIZATION FOR LECTURERS AND STUDENTS

Monday, 27 April 2015 11:08 WIB

Tuesday, April 21 2015 at Lt. 3 Faculty of Medicine Gd. Wahidin Sudirohusodo UPNVJ held socialization regarding standardization by the National Standardization Agency (BSN). The event, which was addressed by lecturers, students and UPNVJ academics, began at 09.00 WIB.

Present at this event was the Chancellor of UPNVJ, Ka. BPH, Warek II and III, Ka. BPM, the Deans/Dir. PPs, lecturers, students, representatives from BSN and other invitees.

On this occasion, Warek III gave a speech that this collaboration was an implementation that had been carried out between UPNVJ and BSN. In the MoU there are several things that will be developed including the fields of education, promotion, improvement of practitioners/experts, and standardization of information exchange.

By holding socialization like this, UPNVJ will get a kind of refreshment in increasing standardization, thus UPNVJ can increase its quality according to national standards.

This event was filled with seminars with two sessions, the first entitled "Standardization as a Strategy to Compete in the 2015 ASEAN Economic Community Era" as the speaker Dra. Dewi Odjar Ratna Komala, MM as the Deputy for Information and Socialization of BSN Standardization. The second seminar session on "Standardization Education Development" by Metrawinda Tunus as the Head of BSN Standardization Correctional Education Center.

It is hoped that after this socialization, the quality and quality of UPNVJ can be improved in accordance with the standards set by BSN.
