

UPNVJ Receives 2024 PPD Assessment Team Field Visit, Depok Enters Nomination

Thursday, 04 April 2024 15:56 WIB

Public Relations UPNVJ - UPN "Veteran" Jakarta was selected as one of the visiting representatives of the city of Depok regarding Cloud Kichen. The visit is an advanced stage of the 2024 Regional Development Planning (PPD) national level assessment for which the city of Depok is included in the nomination. Thursday (06/04/2023).

During this visitation, the Chancellor of UPNVJ received directly the PPD Assessment Team from the National Development Planning Agency (Bappenas) at the UPNVJ Business Hub building.

"Welcome to the entire PPD Assessment Team at Green Cloud Kitchen, thank you for giving UPNVJ the opportunity to be one of those representing the city of Depok in this activity. Cloud Kitchen. "This aims to support Micro, Small and Medium Enterprises (MSMEs) in the culinary sector in developing online marketing of their products," he said.

Meanwhile, one of the assessment team, Abdul Malik, stated that the assessment had entered the third stage. "This is a series of assessments of documents and presentations that have been carried out, and Cloud Kitchen is one of the innovations that really helps Depok residents in developing MSMEs.

Those present at this activity were UPNVJ Chancellor Dr. Drs. Anter Venus, MA, Comm. Head of LPPM UPNVJ Dr. Sri Lestari Wahyuningroem, Head of Bappeda Depok. Dadang Wihana, and Reviewer Dra. Maria Hartiningsih, M. Hum, Abdul Malik Sadat Idris, M. Eng, Dr. Ir. Budhi Santoso, MA, Ade Faisal M.Sc, Shafira Salma, ST.

Head of LPPM UPNVJ Dr. Sri Lestari hopes that she can get the best results at the 2024 PPD at the national level.

"Apart from Depok, there are nine cities that are also nominated for PPD 2024, namely Batam City, Bengkulu City, Dumai City, Magelang City, Malang City, Metro City, Palembang City, Palu City and Solok City. "We hope that Depok City can get the best results at the 2024 PPD at the national level," he concluded

This collaboration has been going on for a long time between the Depok City Government and UPNVJ. Apart from developing Cloud Kitchen, UPN also provides research grant assistance, community service, and makes Depok City a locus for student Real Work Lectures (KKN).
