Jakarta "Veteran" National Development University (UPNVJ) held a Computer-Based National Selection Test Based Writing Examination (UTBK SNBT) on Tuesday, April 30 2024. On this first day, the number of test takers reached 1,660.

Based on monitoring in sessions one and two, most participants arrived on time, wearing appropriate clothing and bringing complete documents.

One of them is Athalla Quftaan from Pamulang (18), who still came to the UTBK location even though he had an accident. His enthusiasm was not broken to do the exam as hard as possible.

"I had done the preparations long ago and took part in tutoring. In the implementation, even though my hands were a bit sore, everything went smoothly and I was able to do the questions comfortably," said Athalla.

UPNVJ has prepared all facilities to the maximum to support participants in finding comfort during the exam process.

Apart from Athalla, there is Princess Izeli from South Tangerang (17), who also completed her exam smoothly.

"Thank God, there were no problems with the exam. The facilities provided were also very comfortable and more than sufficient so that you could do the exam optimally," said Putri.
