**Public Relations UPNVJ** - More than 200 people have taken part in the 2024 Western Regional State University Entrance Independent Selection (SMMPTN-Barat) Consortium BKS-PTN Barat at the Jakarta "Veteran" National Development University (UPNVJ) on the first day, Wednesday, July 3 2024.

One of the participants who took part in the exam was Nyai Nur Azizah, a 17 year old woman from Bogor, who admitted that she chose the UPNVJ Law and Communication Studies study program.

Before taking the exam, Nur Azizah had made a number of preparations, including looking for question predictions on the internet.

"I learned from what I had learned at UTBK. I also looked for predictions about practice questions, from YouTube, Twitter, and also tutoring places," said Nur Azizah when met at UPNVJ's Pondok Labu Campus.

He admitted that he was happy with the service of the SMMPTN-West committee at UPNVJ, which had provided various information and specific directions regarding preparation and implementation of the exam.

"The exam questions are easier than yesterday's UTBK, but there are still some that are difficult," said Nur Azizah.

Meanwhile, UPNVJ Chancellor Dr Anter Venus has directly monitored the implementation of SMMPTN-West 2024 West BKS-PTN Consortium on the first day. He appreciated the performance of the new student admissions committee which had prepared everything well and appealed to participants to prepare for the exam as well as possible.

The total number of participants for the SMMPTN-West 2024 BKS-PTN West Consortium at UPNVJ is 940. The exam is divided into 8 sessions every day throughout the period 2-5 July 2024.
