UPNVJ Public Relations had the opportunity to conduct an interview with UPNVJ Penmaru Coordinator, Fajar Nugroho. From the results of the interview received by Public Relations, Fajar said that the implementation of West SMM-PTN carried out by UPNVJ went smoothly without any significant obstacles, "Thank God there were no technical problems that occurred in the implementation of West SMM-PTN this year. We as a committee were initially just afraid that the schedule for admitting new students between SMM PTN Barat and Mandiri Selection would clash, but thank God that wasn't the case at all, everything went smoothly. "We also involve many teams starting from the Field Person in Charge, Supervisor, Cleaning Officer, Security Officer, Secretariat and also the Public Relations team so everything is safely under control," explained Fajar in detail to the Public Relations team.

"We hope that the 2024 West SMM-PTN participants who take the exam at UPNVJ will feel facilitated and well served and hopefully get the best results," concluded Fajar

The UPNVJ West SMM-PTN implementation was carried out at the UPNVJ Pondok Labu Campus by providing 120 computers divided into 3 classrooms.
