HumasUPNVJ - Based on the Letter of the Director of Learning and Student Affairs, Directorate General of Higher Education, Ministry of Education, Culture, Research, and Technology Number: 5315/E2/DT.01.01/2024 regarding the announcement of the 2024 SIMKATMAWA assessment.

Based on the announcement, the National Development University "Veteran" Jakarta (UPNVJ) has succeeded in achieving the predicate of "Excellent Cluster II."

This assessment is based on student institutional documents, independent activities, and Kemdikbudristek activities.

On the occasion, the Vice Chancellor for Student Affairs, Cooperation and Information Systems of UPNVJ, Dr. Ria Maria Theresa, said that this result is real evidence of the hard work of UPNVJ students to make the university's name famous.

"This is our joint commitment to always provide the best for the university and also in an effort to develop student creativity," said Ria.

He also hopes that in the coming year, UPNVJ students can maintain and keep up the spirit to continue to excel in all fields that they have mastered.

UPNVJ is also committed to continuing to maintain the quality of student services through student activities, both at regional, national and international levels in order to support the implementation of the MBKM policy and the transformation of higher education.

On the UPNVJ SIMKATMAWA dashboard, it is stated that the SIMKATMAWA predicate for the 2022 and 2023 periods is "SUPERIOR" with a value of 1014.7.

The results of the assessment and verification of the SIMKATMAWA document are in the period of 2022 and 2023, where the UPNVJ clustering is in Cluster II with the number of active students more than 5,000 and less than 18,000.
