HumasUPNVJ - Faculty of Medicine, National Development University "Veteran" Jakarta (FK-UPNVJ), enlivened the Pentahelix World Stroke Day 2024 activities with a Fun Walk for Stokers accompanied by FK UPNVJ Students and Scout Students.

This activity involves 1000 steps of leisurely walking. The great enthusiasm was seen from the number of participants reaching 500 participants who took part in the Fun Walk held at the UPNVJ Pondok Labu Campus Area, on Saturday (11/9/24).

This activity is a major agenda of FK UPNVJ which pampers and is an effort to restore Stokers and please their families with various other activities.

Dean of FK UPNVJ Dr.dr.Taufiq Fredrik Pasiak, said that all the Pentahelix collaboration activities are proof of FK UPNVJ's community service which is collaborated in various activities including Makjuss Creative Gymnastics, Fun Walk, and MakJuss Goes To Campus Shop Talkshow," he explained.

The Pentahelix FK-UPNV Jakarta activities are also linked to the commemoration of Youth Pledge Day and Heroes' Day 2024. This year, Pentahelix FK-UPNV Jakarta collaborated with the KRESNA Stroke Survivor Foundation, Budhi Dharma Main Clinic, and the DKI Jakarta Health Office as well as the NERACA Economic Daily.

In addition, this activity is also supported by KORMI Pusat, RSPAD, RS. Fatmawati, RS AL, Pramuka and various stakeholders related to the needs of Stroke Health Recovery.

Not only Fun Walks, this activity also invites MSMEs and IKMs to participate in Social Service Activities and interestingly, Bank BNI 46 also enlivened it by providing Stroker with the opportunity to empower their income to become "BNI'46 Agents".

In its implementation, stokers are also provided with various knowledge and experiences of stroker life and their families in Talk Show activities that discuss the themes of mental management, prevention, and acute stroke management.

After being equipped with knowledge and sharing experiences, Stroker was entertained again with door prizes, awards and presentations.

In the series of events, Stokers can also have a health check, and enjoy Stroker stage entertainment, socializing and taking photos together.
