"KIPK is our priority program, because it is a mandatory funding from the Ministry, in 2024 there are 302 new students who are KIPK participants where today you will receive an account. The benefits of KIPK are extraordinary for your education costs while at UPNVJ and always try to have good grades," said Intan in her speech.

Please note, the guarantee of education costs paid directly to the University is based on the Accreditation of the Study Program (Prodi). All Universities receiving KIP Kuliah Merdeka students must also be officially accredited and recorded in the national accreditation system of universities.

In addition, students receiving KIP Kuliah Merdeka are also given living cost assistance. The monthly living cost assistance is given to students based on 5 regional clusters, namely IDR 800,000, IDR 950,000, IDR 1,100,000, IDR 1,250,000, and IDR 1,400,000 which refer to the results of a survey by the Central Statistics Agency.
