HumasUPNVJ - National Development University "Veteran" Jakarta (UPNVJ) is preparing for a trial of the Computer-Based Written Examination - National Test-Based Selection (UTBK-SNBT) in 2025.

The preparations carried out on Wednesday, March 19, 2025, aim to ensure the readiness of the infrastructure and systems that will be used in the implementation of the 2025 UTBK-SNBT.

In this trial, UPNVJ conducted a simulation of the implementation of UTBK-SNBT using the same system and infrastructure as those that will be used in the implementation of UTBK-SNBT in 2025 in April.

Also present in the preparation of the trial was the Vice Chancellor for Academic Affairs as the Chair of the UPNVJ 2025 Penmaru, Dr. Henry Binsar, who saw firsthand the overall preparation of the committee. He also ensured that all stages of the central committee were followed by the UPNVJ committee properly and in accordance with established procedures.

"We want to ensure that all systems and infrastructure that will be used in the 2025 UTBK-SNBT, especially at the UPNVJ UTBK center, are ready and running well," said Henry.

"Of course, we as the committee hope that this trial can help identify potential problems that may occur in the implementation of the 2025 UTBK-SNBT," he added.

The UPNVJ UTBK-SNBT Center plans to conduct a UTBK-SNBT trial on Thursday, March 20, 2025. It is hoped that this trial will go well so that the implementation of the 2025 UTBK-SNBT can also run smoothly and successfully.
