

Dean of Faculty of Engineering Wins Inspiring Professional and Leadership Award 2025

Tuesday, 25 March 2025 14:11 WIB

HumasUPNVJ - Dean of the Faculty of Engineering (FT) of the National Veteran Development University of Jakarta (UPNVJ), Dr. Ir. Muchamad Oktaviandri, ST., MT., IPM., ASEAN Eng. received an award given by Indonesia Award Magazine in the category "Inspiring Professional & Leadership Award 2025".

Inspiring Professional & Leadership Award 2025 is an award given to influential figures in the world of business and leadership. This award is organized by Indonesia Award Magazine & ASIA Award Media.

The event took place at the Aston Priority Simatupang hotel & conference center, on Saturday, March 22, 2025.

Indonesia Award Magazine provides various awards to appreciate the achievements of individuals and companies in Indonesia.

"I dedicate this award to my wife (Wini Rahmi), children (Hilma Azkia, Hilman Zaki Zaidan, Haifa Zakia, Ysfin Tazky Qalby) and my grandson (Muhammad Umar Attazky), also to the extended family of UPN veteran Jakarta, and all professionals and leaders out there who continue to work hard, face challenges, and strive to provide the best contribution to society and a better world. Let us continue to innovate, inspire, and bring positive change wherever we are." Said Muchamad Oktaviandri who is familiarly called Pak Okta.

"Hopefully this award will be a motivator for me to continue working and provide benefits to many people," he hoped.
