HumasUPNVJ - In order to improve the quality of education, UPN "Veteran" Jakarta collaborated and signed a Memorandum of Understanding (MoU) with the University of Kuala Lumpur (Uni KL) in Bandar Seri Begawan, Brunei Darussalam which took place from 12 to 14 September 2018.

In this event, UPNVJ Chancellor Eddy S, Siradj expressed his gratitude for the trust given by UniKL to cooperate in holding the 2018 Asean International Business Conference (AIBC) and research, as well as publication in Scopus indexed journals.

It is hoped that this activity can increase the number of scientific papers originating from Indonesian institutions recorded in the SCOPUS database, especially manuscripts originating from UPNVJ.
