

BEM FIK Holds ASTEROID Seminar

Tuesday, 23 October 2018 16:30 WIB

HumasUPNVJ - The Student Executive Board of the Faculty of Computer Science held the FIKFair event, one of a series of events namely a seminar entitled "*Aspects And Steps Of Android Development (ASTEROID)*" at the Bhineka Tunggal Ika Auditorium, UPN "Veteran" Rector Building Jakarta, Monday, October 22 2018 . The seminar which was attended by dozens of students presented several speakers, namely Android Developer PT. GITS , Irfan Iriawan Sukirman and presentation from Awan Tunai, a Fintech StartUp.

The head of the organizing committee, Adi Rachmanto, said that this seminar was one of a series of anniversary events for the UPN "Veteran" Jakarta computer science faculty. "This ASTEROID seminar is one of a series of Desnatalies events for the Faculty of Computer Science, apart from that it welcomes new students from the Faculty of Computer Science," he said.

The other series of FIK Fair activities are 20 October – 1 November esport competition, 30 October cyber workshops, 9 November Entrepreneur Miniclass, 6 – 7 November Badminton Competition, 3 November Line Follower Robotics, 14 November Animation Talkshow, 16 – 17 November Futsal Competition, and December 1 FIKFair 2018 Closing. Adi also invited UPN "Veteran" Jakarta students, especially the Faculty of Computer Science to participate in the 2018 FIK Fair series.
